PROFILE

- Aspiring software developer with hands-on experience in building community-centered digital solutions and practical applications aligned with the Sustainable Development Goals.
- Strong foundation in the field of IT, user-centered design, and open-source development, with proven ability to deliver real-world projects through collaboration and mentorship.
- Passionate about scalable, inclusive technologies that strengthen local tech ecosystems and empower youth.

EDUCATION

Bsc in Information Technology — 2023 - Present
Kirinyaga University

3D Animation & Story Telling — 2023 - 2024
Dedan Kimathi University

Microsoft Azure AI Fundamentals: AI Overview — May 2025
Microsoft Student Learn

Mobile Application Development — July - November 2025
Power Learn Project

Introduction to AI in Azure — November 2025
Microsoft Student Learn

Designing and implementing a data science solution on Azure — November 2025
Microsoft Student Learn

CERTIFICATIONS

- Microsoft Azure AI Fundamentals: AI Overview
- Participation in 3D Animation
- Introduction to AI in Azure
- Designing and implementing a data science solution on Azure
- Mobile Application Development

HOBBIES

- App Development
- Gamified Learning
- Swimming
- Watching Movies
